Sir:

Please find enclosed a copy of a petition (as well as a copy of the fax confirmation of the receipt of this petition) that was sent to you on July 21, 2005 requesting that \$450 be credited to our account. The two-month extension of time was charged twice, the first time as a large entity status on June 17, 2005, for the amount of \$450 and which was in fact a mistake on our part, and the second time, as a small entity status on June 20, 2005 for the amount of \$225.

We enclose a copy of our monthly statement of deposit account with the transactions highlighted. The amount of \$43.00 was credited to us for overpaid claim fees. Could you please credit the amount of \$450 to our account in order to complete the transaction.

PETITION UNDER 37 C.F.R. 1.136(A)
ACCOMPANYING PAPER OF MAY 24, 2005

Sir:

This follows the Notification of Missing Requirements dated January 25, 2005 and for which a response was due on March 25, 2005 without extension of time fees.

A response to this Notice was filed on May 24, 2005 and should have been accompanied by Petition for extension of time of two months, which was omitted by Applicant.

Because of standard authorization for charge deficiencies in fees submitted, USPTO charged \$450 to deposit account on May 24, 2005.

On June 13, 2005, Applicant noticed lack of Petition and filed a petition for an extension of two months.

Upon receipt of Petition, USPTO charged \$225 (small entity) to deposit account for the 2-month extension of time fees instead of simply verifying that fee was already charged.

Therefore, two extension of time fees has been paid by Applicant in the present case, one as a large entity fee of \$450 and the other one as a small-entity fee of \$225.

COPY

Consequently, the Commissioner is requested to credit \$450 to Deposit Account No. 19-5113, which covers the fees for the two-month extension of time as a large entity and is also authorized to charge any additional fees or credit any overpayment to Deposit Account No. 19-5113.
